

PRIOR LEARNING ASSESSMENT

TURN PRIOR KNOWLEDGE AND EXPERIENCE INTO POTENTIAL CREDIT BY TAKING ONE OF THE ASSESSMENTS THAT HAS BEEN EVALUATED AND RECOMMENDED FOR COLLEGE CREDIT.

Nocti Business Solutions has collaborated with the National College Credit Recommendation Service (NCCRS) to evaluate its assessments. Experienced industry experts and professors evaluated the rigor of the Nocti Business Solutions assessments to translate the content into college credit equivalencies.

HOW DOES IT WORK?

- ☀ Participants can take an assessment at a Nocti Business Solutions approved testing site or utilize a virtual proctoring service*.
- ☀ Participants must meet a 70% benchmark on an approved Nocti Business Solutions multiple-choice assessment to be eligible for the College Credit Recommendation Report.
- ☀ The report can be used as part of a portfolio, and more importantly, can be presented at any of the 1500+ participating colleges and universities for college credit consideration. If a participant's school is not one of the currently participating colleges and universities, the participant can inquire with their own school about the possibility of the credit being accepted.

For more information about the process for obtaining the college credit recommendation report, to review the list of participating testing sites, and/or an official transcript, please visit:
noctibusiness.com/pla

Cost - \$150.00 per assessment – does not include official transcript services

*Computer with webcam required for virtual proctoring option.

ASSESSMENTS RECOMMENDED FOR ONE SEMESTER HOUR:

Automotive Technician-Core
Building Construction Occupations
Building Trades Maintenance
Manufacturing Technology
Precision Machining

PLA
Prior Learning Assessment

ASSESSMENTS RECOMMENDED FOR THREE SEMESTER HOURS:

21st Century Skills for Workplace Success	Design & Pre-Construction	Industrial Maintenance Mechanics
Accounting-Advanced	Diagnostic Services	Information Support & Services
Accounting-Basic	Diesel Technology	Interactive Media
Administrative Assisting	Early Childhood Development & Services	Interior Decorating & Design
Administrative Services	Early Childhood Education & Care-Advanced	Legal Services
Advertising & Design	Early Childhood Education & Care-Basic	Lodging
Agricultural Biotechnology	Education & Training	Logistics Technology/Distribution Center Services
Agriculture Mechanics	Electric Power & Distribution	Maintenance Operations
Animal Systems	Electrical Construction Technology	Mechanical Drafting & Design
Apparel & Textile Production & Merchandising	Electrical Occupations	Mechatronics
Architectural Drafting	Electronics	Medical Assisting
Automotive Technician-Advanced	Electronics Technology	Natural Resources Systems
Banking & Related Services	Emergency & Fire Management Services	Network Systems
Broadcasting & Journalism	Emergency Medical Services	Nursing Assisting
Business Financial Management	Family & Community Services	Performing Arts
Business Information Processing	Financial & Investment Planning	Personal Care Services
Cabinetmaking	Floriculture	Plumbing
CAD	Floriculture-Greenhouse	Practical Nursing
